Fifth start by a 2yo on 6/10 and this one has been drilled every time so far; maybe he'll be raced into shape and at some point land at a more suitable level; for now he boasts an experience edge over most of his peers but will need some things to happen if he's to capitalize on that edge.

\$37K purchase is by a 10% debut sire who won his first 4 starts including two Gr. I stakes among those; mom won in a romp first out, but never again in a 1-for-6 career; mom has 4 winners from 5 prior foals including one who banked \$360K despite most of his wins having come at the \$5000 claiming level; barn 4-for-56 with firsters over the past year but just scored with one in Indiana on 6/2; works have been steady without a significant missed beat.

They ran 1-2-3-4-5 at every call in his debut run so the race shape wasn't ideal; now moving from claiming company to Sp Wt foes and that too is far from ideal; does have the experience edge and 2 interim works are nice to see; still rather risky.

Dropped to this level, returned to sprinting and returned to dirt at KEE April 15 and ran on well so this might be the situation that suits; handled this track decently vs. more expensive in the fall, too; barn having a super meet.

Debut here May 16 wasn't very pretty but not only can you always forgive a first run it came in slop, vs. straight maidens and she broke slowly; can benefit from that experience and the drop for a trainer who has super 2nd-time-out numbers, though we still I don't know if there's any talent here, do we? at least worked briskly here since; lone sib to race is She's No Angel (17-2-2-2, \$84K), dam was 13-2-3 for \$108K.

Shown some talent, though that last run here at this game and level wasn't very pretty; most encouraging Rice saw fit to claim her and she was favored so maybe that was just one of those days; nice to see no price drop off the claim for a trainer who's strong off the claim and a return to her prior form would make her a threat; lone sib is Will Not Be Swayed (16-4-3-1, \$234K).

2 near-misses to start her career and she was claimed both times as well; sure, both came vs. cheaper but in fact it's most encouraging Atras not only saw fit to claim her May 24 (and is strong off a claim) he doubles her in value; that speaks of optimism m; of course, the nature of such a move means facing tougher but it's not as if any of these seem to be monsters; has tactical speed and blinkers might keep her more focused; lone sib is Lady Valentine (53-10-9-8, \$165K), dam was a winner.

Sire gets over 8% debut winners; sire was 15-6-1-3 for \$4.8 million, multiple G1 SW/SP, champion older male; dam's 1st foal to race; dam was 17-1-0-2 for \$43K; lots of works to indicate a foundation, and some of them are brisk hinting there might be some talent here, though you wonder with that pedigree if she'll be better with more ground.

Stalked before giving way in only start at KEE last fall; in her defense, not only was that her debut it came on turf and vs. straight maidens; the heat was highly flattered, too (produced 4 next-out winners); that said, as noted she hasn't been seen since and must deal with a footing change, though the drop might help, she's bred for dirt and has worked steadily for this return for a trainer who's been strong off a long layoff; dam was 40-7-8-4 for \$258K.

No factor in her debut, though as noted with others you can always forgive a first run; it also came vs. straight maidens so the experience and drop might help; while she didn't show any spark that day it's most encouraging Ortiz sees fit to ride and this barn has made the most of limited starts this year. -Michael Hammersly
