CLOSER LOOK:

Sire gets over 11% debut winners, over 9% first time turf winners, over 12% overall turf winners, according to DRF sire stats; sire was 6-6-0-0 for \$749K, 4 SWs including 2 G1s on turf in Argentina, 1 G1 on dirt in the U.S., 1 G2 on turf in the U.S., champion 3yo male in Argentina; dam's only foal is 4-0-1-0 for \$13K, 2-0-1-0 on turf; dam was 2-0-0-0 for \$636, no turf starts; plenty of works for this first run for a trainer who has done quite well over the years with debut runners; but we're talking a 5yo making his debut; that's awfully late; at least some of the works indicate speed.

Toss that May 30 run at SA (off a long layoff) and you're left with some good work on turf; yes, that's come sprinting primarily but that speed can have him forward and pedigree-wise there's no reason he shouldn't get the mile; and that last 2nd at SA was a nice step forward and hints he's getting things figured out; 2 sibs have yet to win from 7 and 2 starts, respectively, dam was 11-5-1-1 for \$67K, 9-5-0-0 on turf.

TRAINER: 61-180Days(39 .10 \$0.84) 1stTurf(20 .00 \$0.00) TurfSprints(65 .18 \$2.07) Dirt/Turf(40 .07 \$1.00) Turf(223 .15 \$1.54) Sprint(308 .14 \$1.27)

Sire gets over 7% first time turf winners, over 9% overall turf winners; sire was 10-7-0-0 for \$1.4 million, 4 SWs including 3 G1s, 1 G3, champion male sprinter, no turf starts; dam has 4 winners from 6 foals including Excel Calculator (28-3-3-6, \$182K); dam was 9-0-1-1 for \$15K, 6-0-0-1 on turf; talent shown this past winter/spring; sure, that came on dirt but there's ample turf in the pedigree; hasn't run in a few months, which is a bit worrisome, but at least there's no drop for this return; Rispoli off to a hot start now that he's back in the fold (won 2 opening day). -Michael Hammersly

CLOSER LOOK:

Sire is 5-for-29 with 2-year-old-1st-time starters; is out of an 0-for-6 dam (15K) who's only other foal to race is full Zadra (0-for-3, 17K); the rail draw can be a tricky post position for an inexperienced runner to negotiate; leaning elsewhere.

While her finishing position improved 2nd time out her Beyer regressed 16 points as she lacked stamina in both starts and figures to chase Please Behave the other runner with experience; the good news is her trainer does his best work winning with maiden claimers and MSW to maiden claiming is the biggest class drop in racing; must overcome this ground losing post; view as an exotics possibility. -Art Gropper

CLOSER LOOK: Had a nice 2025 but after some time off in the fall/winter he hasn't come back nearly as sharp; after 2 turf duds at SA he was freshened, came back in a dirt sprint vs. open foes at LRC but was again no factor; at least there's not another layoff, and they try a route and go back in vs. state-breds and maybe that can get him back on track....maybe.

J/T 2025-26 DMR (3 .00 .00.00) J/T 2025-26 (5 .20 .13.36)

Had a super first half of the year in the south and that 3rd when last seen at OP looks even better when you note 4 (!) he beat that day came right back to win; he's no stranger to this place, either, having won here last fall; speed to be forward but is no need-the-lead type; worked steadily for this return for a barn having a strong year; the mile is a new wrinkle but that sprint speed can have him forward and he's certainly bred to go this far.

J/T 2025-26 DMR (9 .11 \$9.11) J/T 2025-26 (29 .21 \$6.34)

Ran on for 3rd for this price at this trip at LRC June 19; that was a step forward from his previous try at SA May 23, though that race was just like this, making you wonder if this class level is too much; at least been a pro for a while; hey, you don't win 10 times by accident and 6 of those at this trip but he's just 1 for his last 16 making you wonder if at his age (8) after all those furlongs (64 starts) he's lost too much off his fastball.

Duelled in a sprint at this level at SA May 25 and gamely prevailed; that win looks better, too, when you note 2 he beat came right back to win; question today is the longer trip, though his debut came at this distance, he handled the mile awfully well th at day and is surely a better horse now than he was then; coming out of sprints he figures in the hunt from the start.

Tried a couple races like this at SA in the winter and was no factor in the lane; oh, he didn't run terribly but those efforts still don't exactly get the pulse racing; freshened since by a sharp trainer and it's nice to see no drop; has some back-class and while he might not be that horse any longer if the freshening can get him close to that kind of form he could improve and have a say, though off those last few that's no small 'if', is it?

Got his diploma here last summer at this trip so he handles the footing and distance; after that got a break, went to Phoenix and had a nice winter/spring; freshened again and he's shown he can run well off the bench, and, as noted, handles this track an d trip; still, these are surely tougher than those maidens he beat here last summer, likely tougher than what he faced at TUP and he got no help from the draw, either.

Duelled in a sprint at this level at SA May 25 and gamely prevailed; that win looks better, too, when you note 2 he beat came right back to win; question today is the longer trip, though his debut came at this distance, he handled the mile awfully well th at day and is surely a better horse now than he was then; coming out of sprints he figures in the hunt from the start.

Off a game maiden win on turf they thought enough to give him a stakes shot on turf at SA a couple months ago; OK, so that proved too much; freshened, drops and gets back to dirt, footing he well last fall; in fact, he ran 2nd on this track at this trip in November; run well before off a freshening and it's encouraging Hernandez takes the call and he's been up for this guy's best work; still tough to tell where he fits vs. winners and he got the worst of the draw. -Michael Hammersly
