CLOSER LOOK:

Sire has won with 4% of his North American first-time starters and this is the first foal from a dam who was winless from five starts; this isn't a bad spot to show up with a firster and some of the workouts look okay.

He managed to beat just one to the finish in his career debut after going to post at over 30-1 and he's going to need to take a major step forward if he's to have a say in the outcome; looking toward others.

He's been so-so at best in his first two starts and he's going to need to show more if he's to prove to be the one in this spot; like to see that Baze has had success riding for this barn and perhaps the drop into the maiden claiming ranks can help.

He sports the best Beyer Speed Figure in this field, but it's worth noting the trouble he seems to routinely have leaving the gate, and that can be very problematic, especially in a five-furlong dash; feel that he has a bit of a shaky look to him.

Sire has won with 8% of his North American first-time starters and dam was unraced; this colt is a full to stakes placed Donttellmewhattodo (2-9, 132k); it looks like he flashed some speed in a couple of his workouts back in May and June. -Brian Pochman

Her infield starts have been ordinary and perhaps Los Al was just a little bit easier than the other endeavors; mom was 1-for-6 on the lawn with her offspring a combined 1-for-12 there; 2nd dam was a Gr. I winner in Ireland; improvement still very much a possibility for this mid-year sophomore but she hasn't yet demonstrated the ability likely needed to win this contest.

Lines in print represent efforts by a then-2yo; dam was unraced with offspring a combined 5-for-56 on the lawn; only one other in the 8/28 affair remains a maiden so the group could have been worse; still not guessing that a move in with SpWt's is the winning one this time although maybe she'd merely like a prep on the lawn. -George Cottrell

Made the transition to dirt nicely as her 1st dirt sprint was an off the pace score seemngly setting her up well for this; excuse the 2-back loss vs. Mohaven when 1M and 1-16th was too far; the issue is her most recent win rider is on Mohaven for this; the 3-back runner-up finisher Beyered 79 in her next-out LRC optional claiming win; view as an exotics possibility.

Willing to excuse latest as he seems more at home in these 1 Mile races rather than sprints; rallied 2-back like he would love 1 Mile; love that he is on Del Mar grass again as 1 of his 2 in the money finishes was on this course at 1 Mile last summer; ha rd to rate him ahead of Flash of Lightning off recent form view as an exotics possibility.

Exits a key race defeating Royal Rumor and the 4th and 6th-place finishers next-out 66-69 Beyer SA-MSW graduates; main concern is in all 4 losses at 1 Mile he's been right there in deep stretch but lacked stamina late; perhaps in a race without much pace he will be able to go all the way here once making the lead; the pick.
