CLOSER LOOK: Changed barns since latest and that was first try for a tag by runner who sold for a pretty penny as a yearling; winner of latest got claimed, doubled the asking price, had a difficult trip and still boosted the 3/21 Beyer by 13 points next out; this one has had some troubled starts himself and definitely appreciated the class relief for latest; needs another step forward here.

He has been dust in the wind every time but don't lose sight of the fact that he just notched new-top Beyer earlier this month; not envisioning this one being within shouting distance in the early going and that will likely be the first step to a long af ternoon; pair of returnees from latest boosted their Beyers by 6 and 10 points next out; can see why some will try to build a case but he's not for the faint of heart.

 New claim by barn that is 2-1-0-3/8 in 1st-off-claim situations; latest was first-ever chance on fast dirt and it didn't go especially poorly; once upon a time this was an \$800K yearling buy so we can understand some inclined to speculate; returnees from latest have been a mixed-bag and this runner was reportedly gelded during the past month; most likely a fringe player.

 The dull effort back on 11/23 was in a raced that produced FOUR next-out winners and aside from that one, this guy's lines have been fairly steady; big drawback to the way he takes himself out of the running pretty early; can see him going better with a recent start under foot and for moving back in vs. sellers; definitely on the short list.

 Back after a couple of months and apparently he does have some tactical speed to offer; certainly like the old-fashioned steady improvement in the Beyer column and those willing to project that forward over 2 months of added maturity may at least find a corner to settle in; he was under the gun for much of the way in latest and can go better with a different trip.

CLOSER LOOK: Racing 2nd-time out and 2nd-time Long are both improvement angles as he likely got a lot out of that stamina test at 1F longer 1st-time out; the 2 breezes for this in the a.m. were right on point; muddled moved 1st-time out and need a well-timed ride; he moves to the rail where he can save ground then make 1 run.

She's stretching back out around two turns off a pair of sprint races to start the season and like that she is proven over a route of ground; her last two wins have come at this configuration, and in dominant fashion; both wins came when she went sprint to route, as she does in this spot
